TX PSB #C15942

Prepared for Barrington Gardens Community Association

About Incident Reports

The report is a month-long summary of notable incidents, as reported in the officers' daily reports. During an officer's patrol, he or she will do many things that aren't recorded, including but not limited to showing a presence to proactively ward off unwanted activity, speaking with residents about problems and concerns, and checking out suspicious vehicles, people, and activities.

Additionally, the S.E.A.L. Security Dispatch Center may receive calls concerning dangerous or potentially threatening situations, activity, and observations of incidents that occurred in the area. All calls have been recorded to provide the Barrington Gardens Community Association information that could impact operations and reputation.
